Lynda,

Roberta and I had a call with Alan Henning on Friday, and he has given us some not insignificant letters for review. Just FYI to be sure you're in the loop on this workload. The timing is unclear but likely the review will be complete by the end of June (at least mine will need to be). Once we see his framework, we'll have a better sense of the timing.

Thanks,
Katie

Subject: Ag Letters for CZARA review

Helen, Katie and Roberta,

I took a quick look at each Ag comment letter (identified in the spreadsheet) and based on its size and complexity (again, a very quick review), I've divided the letters up for review.

Helen and Katie, you will have two very difficult and comprehensive letters to review plus 12 fairly simple ones. Your letters are:

- 57 - NWEA - very big and very difficult
- 56 - Rogue River Keeper - also very big
- The rest are one or two page letters generally:

12-	Ex. 6 - Personal Privacy
15-	
19-	
23-	
28-	
39-	
44-	
47-	

- 49- Native Fish Society
- 51- Shell fish program - Alex Manderono

72- Ex. 6 - Personal Privacy

74-Tillamook Bay

Roberta and I will review the following:

54 - Beyond Toxics

55- Ex. 6 - Personal Privacy

58- Oregon Wild

60 - Socially Responsible Ag Program

65- Water Watch of Oregon

64, 66, 68 - The same letter from three different individuals

71- Several Associations

73-Fresh Water Trust

78- Oregon Environmental Council

80-Oregon Association of Clean Water Agencies plus others

81- Ex. 6 - Personal Privacy

83- Audubon Society

84-Oregon Association of Nurseries

Please feel free to connect with each other if you have questions/concerns regarding issues you find during the review. I will set up a check-in schedule for us to get together to discuss how things are going. I am still working on the "Framework for Review". With any luck I will get it done today.

Feel free to contact me anytime you have questions.

Again, thanks so much for helping out with this review.

Alan
